

Jewellery Designer Profile...

BUDDHA MAMA

Buddha Mama was established in 2008 for the intention of donating proceeds to Zen Village and Kristi House, a non-profit center that provides the needs of child victims of sexual abuse and trafficking. Talented lead designer, Nancy Badia's philosophy of contribution runs throughout the line that is influenced by Buddhism and Eastern traditions. These stunning collections have a spiritual quality designed to speak to every woman. This handmade jewellery is unique in design and creates a powerful link between the wearer and the fundamental belief behind giving back to the organizations that are so dear to the heart of Buddha Mama.
